eight hundred clothing...

Our mission is transform our art, our thoughts and our ideas into stylish fashion. We are artists that put our very heart and soul into each peice we create. We combine thoughtful design and imaginative themes to create something truly powerful. The keys to Eight Hundred Clothing's positive vibes and creative process are the three things we live by..peace, love, happy. Living with this in mind will result only in success and Eight Hundred Clothing aims to prove just that. We are real clothing for real people...Enjoy!
